and ventilation

OAKLAND ARE PROUD TO BE AN OFFICIAL PARTNER WITH MAMMA MIA! THE PARTY WHO ARE LOCATED IN THE O2 ARENA IN LONDON.

Mamma Mia! The Party transports you to an authentic Greek Taverna for an evening of delicious Mediterranean cuisine, a blossoming love story, and a fabulous disco soundtracked by all your favorite ABBA hits.

Since October 2021 Oakland has been delivering Full Facilities Management support to the venue with Monthly Electrical and Water Compliance testing in addition to the following disciplines.

- Air Conditioning and Ventilation Heating
- Fire Suppression
- Fire Dampers
- EICR Electrical Testing
- Catering Equipment Maintenance

In addition, Oakland provides emergency reactive support for all services within the venue to ensure Mamma Mia! The Party operates smoothly in order to comply with its busy schedule.

Oakland manages the full PPM schedule around all rehearsal and showtimes, to support the on-site facilities team who can concentrate on delivering this wonderful experience to the public at Nikos' family-run taverna in Skopelos.
